

Nailsworth Society
LOCAL STUDIES GROUP

Monday, 22nd June 2015
7.30 pm in the Mortimer Room

The story of

**The
Gloucester
Tudor Doll**

as told by

Malcolm Watkins

The story is one of travel, loss, discovery, loss and rediscovery. This unique pottery doll was made on the continent in the period of Henry VIII and was found in Gloucester in the early years of the 20th century. This is an illustrated talk, offering an opportunity to see a replica of the doll and similar items.

Next Meeting: Monday 27th July 2015
Tetbury History Walk
