Monday 1st February at 7.30pm in the Mortimer Room

JNTO THE ABYSS

wildlife filming at depth

with ROGER JONES

Roger was formerly Senior producer and director of the BBC Natural History Unit in Bristol. He is a photographer and artist. In this fascinating talk he will share some of his wildlife filming experiences with us, going down to depths of 12,000 feet in pursuit of abyssal life.

Members £1. Visitors £3. Refreshments included.
