Monday 3rd April at 7.30pm. in The Mortimer Room

The Mystery of the Lost Caravaggio: the theft, the Mafia and a surprise ending

By Paul Butler

The Nativity with St Francis and St Lawrence, 1609, was stolen from an oratory in Palermo in 1969. It is still regarded as one of the worst art thefts ever committed.

Paul was living nearby till just before it happened and will enlighten us with what he has learnt about the mystery.
