Russian Art: from Realism to Revolution

By Paul Chapman

October 17, 1905. Ilya Repin

Paul Chapman is an art historian who delivers excellent courses and lectures, as well as being a tour guide for the National Gallery at Longford Castle. Russia has a rich art history of its own, something that is often neglected in the west. The late 19th and early 20th centuries were times of huge social and political change. Paul will enlighten us about what was happening in the Russian art world at the time.
