

# THE NAILSWORTH SOCIETY LOCAL HISTORY RESEARCH GROUP

**Monday 11th June 2018 – in Gloucester at 6pm**

Lifts from Nailsworth Library 5pm

## Visit to Gloucestershire Archives

We have organised a visit to the Gloucestershire Archives to view their smart new premises and to see what they have available for the serious or casual user.

So, if you have ever wondered about pursuing family history or any other kind, this is your opportunity to see how the Archives system works!

***We need to be there by 6pm, so there are various choices:***

- 1. Get there under your own steam*
- 2. Get a lift from Nailsworth Library at 5pm.*
- 3. Offer a lift from Nailsworth Library at 5pm*

If you are interested please contact me on [paul.butler60@outlook.com](mailto:paul.butler60@outlook.com) stating which option suits you, bearing in mind I will need to let the Archives know how many to expect.

Hope you can join us.

Best wishes

Paul
