

ARTS, CRAFTS AND MUSIC GROUP VISIT TO

# The Elemental Sculpture Park

Thursday 8<sup>th</sup> July, leaving Nailsworth at 1.45 approx.

(aka Cotswold/Cirencester Sculpture Park)

The sculpture park is set in 10 acres of mainly forested ground and has a wide range of sculptures made from a great variety of materials. The images above were taken last year but works may have changed. I was there for ages! There is a small café with seating outside, and toilet facilities. There is also a small shop.

**Admission is £7.** Parking is free.
