A Voyage Round My Grandfather: From Horsley To Down Under *Via* China

Alan Crossman

The Black Horse, now known as The Tipputs Inn, photographed in about 1910

Born in Stonehouse and now living in Cheshire, Alan searched for 20 years to find the identity of his paternal grandfather. Thanks to Ancestry, DNA and some very helpful individuals he has finally managed to solve the mystery, and discovered the key part this local inn played in his father's life.
