Andy Lovell, printmaker and illustrator

Remnants of snow towards Slad

Andy is a very talented local artist who produces silk screen prints of a wide range of subjects. Somehow, he manages to capture the essence of his subjects, be they landscape or city, rocks or vegetation, sea or weather conditions, structures or people, all cleverly composed and frequently with a strong sense of animation. He is a real master of the complex silk screen printing process and also paints.

All welcome! Members £2.
