Late Summer Colour

We are delighted to be welcoming Julie Ritchie from Hoo House Nursery, near Tewkesbury. Julie will be talking about sustaining colour and interest in the garden for as long as possible through the summer months and into the autumn. Now is a great time to start thinking about, and planning, ways to brighten up our borders, especially for the time when the first flush of summer colours starts to fade.

Julie's nursery stocks a wide variety of excellent perennial plants and some will be available to buy at the meeting.

Members; £2 Non-members; £5 to include refreshments.
There is free parking in the SDC car park in Newmarket Road.

NB. This is an afternoon meeting.
