

Nailsworth Society Gardening Group

**The Sawyer Hall
Monday 2 June at 2.30pm**

Javelin Park

We are delighted to be welcoming Mel from Javelin Park Waste Facility, who will be talking about the facility's history and use. This meeting is in addition to the visit to Javelin Park in October this year. Many members wanted to take part in the visit, however, there is a limit of only 15 per group and we are only able to book 1 visit this year.

Members and non-members are welcome and the entrance fee includes refreshments;

Members £2 Non-members £5

Please note that non-members can join the Nailsworth Society on the night. Membership is £12 and would reduce the entrance fee to £2

There is free parking in the SDC car park in Newmarket Road.
